Level 2

September 2023

The image shows the interior of ANA Bar and Eatery, a modern dining space with a dark, industrial aesthetic. The ceiling is high with exposed pipes and numerous warm-toned pendant lights. The walls are a mix of dark wood paneling and white brick. In the foreground, there are large, dark planters containing tall snake plants. To the left, a vertical neon sign reads "BAR" in green. In the background, several tables are occupied by patrons. On the right, a service counter is visible with a menu board and a Bitcoin logo. The overall atmosphere is bright and contemporary.

ANA Drinks

A hand is pouring a golden liquid from a bottle into a glass. The glass contains a large, clear ice cube. The liquid is being poured from the top of the frame, creating a stream that falls into the glass. The background is dark and out of focus, showing what appears to be a bar setting with various glasses and bottles.

Drinks for every dinner party:

- #1 -- House Wine & Beer (Sparkling, White, Red, Draft Beer) \$35 per person, per hour
- #2 -- Open Bar House Liquors, Wines & Beers \$40 per person, per hour
- #3 -- Open Bar Call Liquors, Wines & Beers \$55 per person, per hour
- #4 -- Open Bar Premium Liquors, Wines & Beers \$70 per person, per hour

Feeling a bit more “crafty” than the average beer drinker? We’ve teamed with our new neighbors, the Bronx Brewery, to offer an even more comprehensive craft draft beer option to our bar packages - just ask for pricing and tasting options to add!
